**Confirmation**

To whom it may concern,

We, the organizing committee of SC Monte Kaolino Hirschau e.V., hereby confirm that the salt (NaCl) used for the Masters World Cup 2023 in Seefeld / Tyrol to prepare the cross-country ski trails is harmless.

The pretzel salt (NaCl) is coarse-grained white salt for sprinkling on pretzels.

Best regards.

Thomas Heckmann  
OK-Präsident
